## WELCOME TO ...

# Grand Rapids!

Nope. Sorry. It's nearly impossible to visit Historic Grand Rapids and not find a unique shoppe to browse or a tasty restaurant to tempt your taste-buds. With six different restaurants and over twenty-five unique shoppes and boutiques, all members of the Grand Rapids Area Chamber of Commerce, in our two-block restored Victorian Village, Grand Rapids offers a great destination to spend the day.

Our shoppes in the Downtown Proper, all owned and operated by local families, offer an eclectic and fun variety of antiques, apparel, art, books, candy, florals, furnishings, gifts, goodies, home decor, jewelry and more.

After a hard day of shopping, our eateries, all offering their own special flavor, await your dining pleasure. Whether you're in the mood for surf and turf, salad, pizza, across the border, ice cream or a little southwestern pizzazz, our eateries will not leave you hungry.

Plan a "day-cation", dinner out or a shopping getaway in the perfect place to shop, play, dine, and stay ...
